WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., FRIDAY, APRIL 8, 1904.

ONE COPY—ONE CENT.

**WE SHOULD SMILE.**  
The thing that goes the farthest toward making life worth while.  
That costs the least and does the most, is just a pleasant smile—  
The smile that bubbles from the heart that loves its fellow-men  
Will drive away the cloud of gloom and coax the sun again.  
It's full of worth and goodness, too, with manly kindness blent;  
It's worth a million dollars and it doesn't cost a cent.  
There is no room for sadness when we see a cheery smile;  
It always has the same good look—it's never out of style;  
It nerves us on to try again when failure makes us blue—  
Such smiles of encouragement are good for me and you.  
So smile away; folks understand what by a smile is meant—  
It's worth a million dollars and it doesn't cost a cent.  
—Utica Globe.

## HE'S COMING HOME!

The Picture Will Help You to Recognize an Old Resident

He's coming home, And he may be expected any time tomorrow! A few weeks ago, in company with his good wife, Colonel Thomas J. Winter journeyed to Hot Springs in search of health, and what the trip has done for him is said to be truly wonderful.

You may have called him "Slow," but, under the inspiration of the healing waters of the famous Springs, judging from the above snapshot, he seems to have gotten a move on himself at last.

The likeness has just been taken of the genial Colonel, the camera fiend happily being present when Mr. Winter was at his best.

He is one of Maysville's old admirers, and now that he is restored to health he's coming home or bust.

## STREET BEGGING

Children Supporting a Family of Six by This Means

Of all the virtues God has given man Charity is the greatest. Too often is it the case that this best quality of the human heart is most outrageously imposed upon. Yesterday there appeared in the streets two children, a girl, aged about 9 years and a boy several years her junior. To the kind-hearted and sympathetic the appearance of the more than 'orphans appealed without words to their generosity—the boy was bare-footed and illy clad, while the girl was garbed in rainbow-hued apparel.

It was evident to the more worldly by their manner of appeal and talk that they were adepts and schooled in their calling—notwithstanding the pathetic paper offered you to read.

The truth of the matter, the mother had the appearance and action of an unkempt old hag, while the long lank father was a selfish brute who is too lazy to settle down and earn an honest living for his progeny.

It is too soft a snap in traveling from one town to another and in having the children beg for them rather than honest toil. The man kept the girl in sight while on her begging tour and at intervals would relieve her of the accumulated pennies and dimes. The party consisted of six.

A lady resident of Front street was moved by seeing one of the girls plodding along bare-footed, and called her in and clothed her with stockings and shoes.

They left on a boat for pastures green in up-river towns last night.

James A. Reed, who died a day or so since at Mt. Olivet, was an eccentric man and was well known in Northeastern Kentucky for three-quarters of a century. He was known as the "Wandering Jew." When local option laws closed the saloons in all the small towns in this region Reed fitted himself with an overcoat of many pockets, which he filled with bottles of whisky, and traveling from county to county retailed it to thirsty wayfarers. He was arraigned repeatedly in the United States Court, but owing to his age and apparent decrepit condition generally escaped punishment. He never drank liquor of any kind or used tobacco in any form, and at one time had a considerable sum of money.

### D. H. BARKER,

SHERIFF OF CHATTANOOGA, TENN.

Another Prominent Man, Finds in Vinol the Only Cure for Stomach Troubles.

Hon. D. H. Barker, Deputy Sheriff of Chattanooga, Tenn., writes:

"As I have suffered for years with dyspepsia and stomach troubles, and Vinol has driven that dreaded disease from my system, I am only too pleased to state my experience for the benefit of others. My system became so enfeebled by indigestion that I was unable to work half the time. Many remedies were given a trial, but Vinol was the only medicine that benefited, and finally cured me completely. I am so grateful to be rid of this trouble that I trust this testimonial will come to the eyes of other sufferers who may be benefited as I have been by Vinol."

What Vinol did for Mr. Barker, our druggist, Mr. J. C. Pecor of this city, guarantees it will do for every person in Maysville suffering from a tired, overtaxed, or worn out stomach which cannot properly digest food.

HON. D. H. BARKER.

Through the digestive organs the blood receives its body building material, and strength and vigor is given to every organ in the body. Vinol strengthens and tones up the weakened nerves of the stomach, and soon enables the sufferer to digest with ease the very foods that once caused distress.

Vinol contains no drugs, no nauseating oil, but it does contain the vital principles of cod liver oil which will heal and tone up irritated, worn, tired stomachs.

If any person in Maysville tries Vinol for stomach troubles, for a run-down, debilitated condition, to give strength to the weak, to gain flesh, to invigorate old people, to make rich, red blood and build up the convalescent, to cure hard colds, stubborn coughs or bronchitis, and it fails to give satisfaction, I will refund the money paid for it. J. C. Pecor, Druggist.

# Confide in a Woman

## How Women Act While Consulting a Male Physician.

A woman is sick; some disease peculiar to her sex is fast developing in her system. She goes to her family physician and tells him her story, but not the whole story. She holds something back, loses her head, becomes agitated, forgets what she wants to say, and finally conceals what she ought to have told, and thus completely mystifies the doctor. Is it any wonder, therefore, that the doctor fails to cure the disease? Still, we cannot blame the woman, for it is very embarrassing to detail some of the symptoms of her suffering, even to her family physician. It was for this reason that years ago Mrs. Lydia E. Pinkham determined to step in and help her sex. Having had considerable experience in treating female ills with her Vegetable Compound, she encouraged the women of America to write to her for advice in regard to their complaints, and being a woman, it was easy for her ailing sisters to pour into her ears every detail of their suffering. In this way

### Mrs. Pinkham, in Lynn, Mass.,

was able to do for them what the physicians were unable to do, simply because she had the proper information to work upon, and from the little group of women who sought her advice years ago, a great army of her fellow beings are to-day constantly applying for advice and relief, and during the last year many, many thousands every month have written and received valuable advice and help. Nowhere except at Lydia E. Pinkham's laboratory in Lynn is there such an amount of information at hand to assist in the treatment of all kinds of female ills, from the simplest local irritation to the most complicated diseases of the womb. The records of all the many hundreds of thousands of cases as to which hadvice has been asked are there kept on file by Mrs. Pinkham, and from this vast experience she is able to do more than the family physician for ailing women. Any woman, therefore, is responsible for her own suffering who will not take the trouble to write to Mrs. Pinkham for advice. The testimonials which we are constantly publishing from grateful women establish beyond a doubt the power of LYDIA E. PINKHAM'S VEGETABLE COMPOUND to conquer female diseases.

Their record of eighteen successful semi-annual tours shows conclusively the merits of the Lyman H. Howe Moving Picture Co., which exhibits at the Opera-house tonight. No similar show has such an enduring record. The reason of this success is that they have aimed from their first performance to make the next better and they always present more up-to-date and expensive pictures than anyone else dare attempt. They have continued that plan this year on a still wider scale than ever before and their pictures are simply a succession of surprises. The improved machine they use this time is the highest development in the art and projects the pictures in a delightful, satisfactory, elegant and impressive manner. Seats on sale at Ray's.

The Stella Moren left Pittsburgh Wednesday with a tow of six boats and three barges. One of the boats became unmanageable at Deadman's, about 14 miles below the city, and sank in the middle of the channel.

The rivers are falling steadily, and the coal boat stage will not last much longer unless there is rain. It is said that more towboats are being considered by the operators at Pittsburgh, as there is not enough to take care of the coal when one of the brief periods of coal boat water is at hand, and the shipment is in consequence less than if there were more boats.

The largest freight vessel in the world will be launched at Lorain, O., tomorrow. The length of this vessel, 560 feet, is greater than the distance in a square (between two streets) of a city. She contains 4,500 tons, or 9,000,000 pounds of steel, exclusive of machinery and fittings of every sort. More than 750,000 rivets are used in her construction. She will carry between 11,000 tons of ore and 300 tons of fuel, on eighteen feet draft. This is equivalent to 333 carloads, or eleven trainloads.

## KICK AND SCREAM

Baby's Awful Suffering from Eczema.

Could Not Hold Her. She Tore Her Face and Arms.

Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and any one suffering as she did, I should advise them to give Cuticura a fair trial." MRS. G. A. CONRAD, Lisbon, N. H., Feb. 7, 1898.

Five years later, viz., Feb. 23, 1903, Mrs. Conrad writes:

"It is with pleasure that I can inform you that the cure has been permanent as it is now six years since she was cured, and there has been no return of the disease since, and I have advised a lot of friends to use the Cuticura Remedies in all diseases of the skin." Instant relief and refreshing sleep for skin-tormented babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure and purest of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humors, eczemas, rashes and irritations.

Sold throughout the world. Cuticura Resolvent, 50c (in form of Chocolate Coated Pills, 25c per vial of 50). Ointment, 50c. Soap, 25c. Depot: London, 27 Charterhouse St.; Paris, 2 Rue de la Paix; Boston, 157 Columbus Ave.; Potter Drug & Chem. Corp., Sole Proprietors. Send for "Cuticura Skin Book."

### "DO IT TODAY."

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Bo-schee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. For sale at Henry W. Ray's Postoffice Drugstore.

### How to Ward Off an Attack of Rheumatism.

"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald of Man, Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in my house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." ### WITH A LAME BACK?

#### Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital, work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
